

Crossing Over From A State Of Comfort To A State Of Confidence

Written by: Christi Washington

Kingdom Singles Empowerment

The time has come for the church to rise up and go where she's never gone before. This time we must move with the rhythm of the Holy Spirit. There was a time when what we had done before actually

worked, but this time, it is a new level. We must believe that whatever we pray for, believe that we have already received it. The Kingdom Singles Empowerment Ministry will start making more moves for certain events that will require much prayer and sup-

port. We are to be a walking inferno and a force to be reckoned with because of the God inside of us. My prayer is that we will no longer be afraid of what may seem uncomfortable; instead, we must be confident in the uncomfortable and use proper discernment with every decision we make. If there is a challenge or test, then it means we are more

than conquerors and we have already overcome. Every king and queen wears the victor's crown because of Jesus, the King of all kings who has paid and conquered it *all*. We are winners through God. Watch out for sudden divine surprises this year. 2024, here we are!

Unveiling the Glory

Written by Sis. Renee

Exodus chapters 33-34 narrate the compelling story of Moses and his direct communication with the Lord. In this account, God converses with Moses face to face, resembling a conversation between two individuals. Moses ascends the Mountain of God to receive divine guidance on righteous living. The interaction between the Lord and Moses is intriguing, as God imparts step-by-step instructions on how to lead a righteous life and treat others. Moses's close communion with God is evident as he spends significant time in the presence of the Almighty. The radiance of the Lord's glory is so intense that Moses must veil his face, making it too revealing for others to approach him. Consequently, when addressing the Israelites, Moses wears a veiled face, symbolizing the profound connec-

tion he shares with God. Imagine experiencing the brilliant radiance of the Lord's glory shining through you. Moses, having spent intimate time with the "I AM," received answers for a life filled with joy. The question arises: Is the glory of the Lord shining brightly in your life? Who or What are you spending the most time with? Make the best of 2024 and spend monumental time with God.

Kingdom Singles Empowerment is an extension of Bishop Levy H. Knox and part of the Living Word Christian Center International Ministries family. KSE teammates are empowered with the knowledge of the Kingdom of God. We are concerned with reaching, teaching, and nurturing the single adult in faith. Single parents, widows, divorcees, male or female, all with unique spiritual needs, therefore we recognize the challenge of a single adult. We work as a team worshipping, witnessing, and ministering to pursue singles for Christ. For more information contact Sis.
