DR. LEVY H. KNOX, FOUNDER & BISHOP  
PASTOR DELIA KNOX, WORSHIP & ARTS

May 20, 2020

Kingdom Greetings to our Beloved LWCC Family!

On behalf of Pastor Delia and myself, along with our Presbytery, we have certainly missed seeing your beautiful faces and in-person meeting together in Christ! As we have shared with you in our online services, we are counting the days that we can gather together again in exuberant worship!

We are currently taking steps with all precautionary measures, in accordance with the CDC guidelines, that we may enter into the house of the Lord with full joy and confidence. We are in the process of having our leadership and forefront ministries enter in preparation for your return into the sanctuary! We are also excited to announce that we have scheduled a time for the entire LWCC Family to unite on the grounds of 4900 Government Blvd. for a Celebration of Praise & Worship from our vehicles on Saturday, May 30, at 9AM! Thereafter, on Pentecost Sunday, May 31, we will resume our 8:30 & 11AM services in the sanctuary at 1401 Government St! Exercising social distancing, with an ever-close presence as we worship together as One! In the event the sanctuary is full, the Kingdom Life Center at 1060 Government St. will also be made available with satellite services provided.

In adherence to the CDC guidelines, we will have seating designated six feet apart between families of different households. Due to safety issues and training, no childcare, Children's Ministry, or Youth Ministry will be available at this time but to be announced in the future. We do ask that all members of a family sit together, and children must stay in proximity of their guardian at all times. Be respectful of others' personal space preferences in relation to hand shaking and hugging. We will also be wearing face coverings of nose and mouth. (Please bring your mask). We ask, in order to avoid the process of taking anyone's temperature, if you or anyone in your household has a temperature above 100.4 degrees Fahrenheit, exhibits any flu symptoms, experiences cough, shortness of breath and sore throat, or any at risk pre-conditions, please seek medical attention and avoid gatherings of any kind. The CDC guidelines prohibit us to grant entrance at this time under such circumstances. However, please call the church for prayer (251)471-2334 and join us from your home in worship via live stream. We will earnestly touch and agree by bringing your request to the altar in fervent prayer. LWCC is a family of faith and prayer, exercising wisdom with authority in Kingdom order. We will adhere to the guidelines given with full awareness that our LORD is able to send His WORD of healing to you right where you are! (Ps. 107:20). While we may face uncertain times, one certainty remains: I AM.

Please be flexible with us as we navigate these challenging times together. Kindly work with our seating and security team as we strive for everyone to have an encouraging and safe worship experience. Join us in using love and wisdom as we promote a safe worship environment for all those in attendance.

Once again, we look forward to having eye-to-eye contact in worship with you in the presence of our King, Jesus Christ, May 30, at 9AM on the grounds of 4900 Government Blvd. AND on May 31, at 8:30 & 11AM in the LWCC sanctuary at 1401 Government St. We've long awaited this day! We are all together lovely. Welcome Home! Psalms 122:1: "I was glad when they said unto me, Let us go into the house of the LORD."

You are loved, valued, and appreciated!

Bishop Levy & Pastor Delia Knox and LWCC Presbytery
